

- **Topic: Demographic Transition, Migration, and Urbanization**
- Objective:
 - - Understand how demographic changes, migration **patterns**, and urbanization are interrelated.
 - - Encourage critical thinking and collaboration using real-world examples.

Introduction

- Activity: Quick Think-Pair-Share
- “What comes to your mind when you hear the words population growth, migration, and urbanization?”
- Steps:
 - 1. Think individually (1 min)
 - 2. Pair up to discuss (3 min)
 - 3. Share insights with the class

Mini Lecture / Input (10 minutes)

- Key Concepts:
- Demographic Transition – Change from high birth and death rates to low rates.
 - Stages 1–4 (sometimes 5): Pre-industrial → Transitional → Industrial → Post-industrial
 - Example: The Philippines is in late Stage 3 to Stage 4.
- Migration – Movement of people for work, education, or safety.
 - Internal vs. International
 - Push and Pull factors
- Urbanization – Growth of city populations.
 - Driven by industrialization and migration.
 - Brings opportunities and challenges.

Group Discussion

Group 1,2 &3: Demographic Transition

- What stage is the Philippines in?
- What are the social and economic effects?

Group 4,5 & 6: Migration

- Why do Filipinos migrate abroad or to cities?
- How does migration affect families and communities?

Group 7-8: Urbanization

- What are the advantages and disadvantages?
- How can we make cities sustainable and livable?

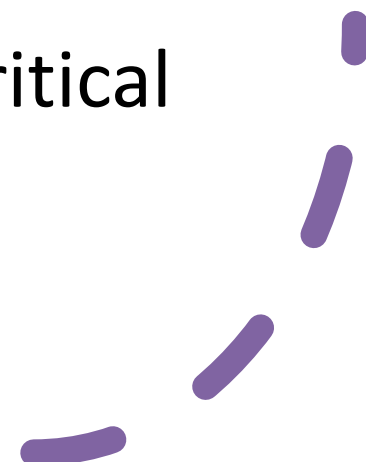

Group 9-10: Poster Making

- Design an infographic showing the stages of demographic transition and their effects.

A large red circle on the left side of the slide, partially cut off by the edge.

Group Discussion Instructions

Discuss for 10–15 minutes.

- Assign a reporter to summarize.
 - Encourage examples, stories, or current events.
 - Goal: Promote collaboration and critical analysis.
- 
- A decorative purple dashed line in the bottom right corner, consisting of several short, curved segments.

Class Sharing

- Each group presents for 3–4 minutes.
- After each presentation, open the floor for 1–2 questions from other groups.

Note:

- Purpose: Promote active listening and peer learning.

Synthesis

- Wrap-Up!
 - Population growth influences migration.
 - Migration drives urbanization.
 - Urbanization shapes demographic patterns.
- Reflective Question:

“As future leaders, how can we contribute to sustainable population and urban development in our country?”

Synthesis

Reflective Question:

1. “As future leaders, how can we contribute to sustainable population and urban development in our country?”
2. “How does migration or urbanization affect my own family or community?”
